

European Union Advisory Mission in Iraq

PRIVACY STATEMENT

regarding the processing and protection of personal data
related to closed-circuit television (CCTV) video surveillance in the Mission's premises

1. Introduction: What is this statement about?

Personal data is data that can identify you as a person, directly or indirectly. The protection of your privacy including your personal data is of great importance to the European External Action Service (EEAS), the European Commission's Service for Foreign Policy Instruments of the European Commission (FPI), and the civilian crisis management missions under the European Union's Common Security and Defence Policy (CSDP) including the European Union Advisory Mission in support of Security Sector Reform in Iraq (EUAM Iraq). Consequently, all personal data that can identify you either directly or indirectly will be handled legitimately and with the necessary care. When processing personal data, EUAM Iraq respects the principles of the [Charter of Fundamental Rights of the European Union](#), especially its Article 8 on data protection.

This Privacy Statement describes how EUAM Iraq processes your personal data for the purpose for which it has been or is going to be collected and what rights you have as a data subject.

Your personal data is collected, processed, and stored by EUAM Iraq in accordance with the principles and provisions of the applicable legislation on data protection, including the [Regulation \(EU\) 2018/1725 of 23 October 2018 of the European Parliament and of the Council on the Protection of Natural Persons with Regard to the Processing of Personal Data by the Union Institutions, Bodies, Offices, and Agencies and on the Free Movement of Such Data](#), aligned with the provisions of the [Regulation \(EU\) 2016/679 of 27 April 2016 of the European Parliament and of the Council on the Protection of Natural Persons with Regard to the Processing of Personal Data and on the Free Movement of Such Data \(the General Data Protection Regulation, GDPR\)](#), and in accordance with the Civilian Operations Commander's Instruction no. 12 of 2018 and its subsequent amendments as well as with EUAM Iraq's Standard Operating Procedures (SOP) no. 21 of 24 February 2019 on Personal Data Protection.

All data of personal nature is handled with the necessary care.

2. Purpose of the data processing operation: Why do we process your personal data?

The main purpose of the data processing activities (CCTV video surveillance system) is to ensure the protection of the Mission's security interests by deterring and preventing unauthorised access and entry to EUAM Iraq's premises, and to ensure duty of care, most importantly the safety and security of personnel and visitors but also including the Mission's premises, physical assets and information and reputation from harm and damage.

The live stream from EUAM Iraq's CCTV cameras is monitored either by the Mission's Security and Duty of Care Department (SDCD) staff or by staff members of the Mission's contracted security provider (GardaWorld).

The live stream footage is recorded. The recorded information is protected and safeguarded adequately.

Access to the recorded CCTV footage is only available for defined EUAM Iraq SDCD personnel. For third parties external to the Mission, access is only authorised in duly justified cases and as set out below under Section 5.

The data may be used in case of disciplinary or criminal proceedings or to fulfil other legal requirements, including administrative instructions.

Your personal data will not be used for automated decision-making, including profiling.

3. Data that has been or will be processed: What personal data do we process?

The data, including personal data, which may be processed for the above purpose are the following:

1. Motion pictures of video footage recordings, raw or edited, and still images of persons and vehicles if registration plates or other means of identification, e.g. windshield signs, are visible.

<p>4. Controller of the data processing operation: Who is entrusted with processing your personal data?</p> <p>The controller determining the purpose and the means of the processing activity is EUAM Iraq, represented by its Head of Mission, which in this capacity executes his or her duty as Data Controller. The Mission entity responsible for managing the visitor access control and the relevant database is the SDCD under the supervision of the Head of Mission (HOM).</p>
<p>5. Recipients of the data: Who has access to your personal data?</p> <p>The recipients of your data as recorded in live video or still pictures may include the following:</p> <p>I.
